MAJOR THEMES

Focus on becoming a complete, multigenerational community.

Embrace ways to bring the community together.

Encourage more restaurant, shopping, and entertainment options.

Spur housing options that are affordable for people at all incomes and life stages.

Prioritize non-vehicular transportation access and connectivity.

Strengthen the local economy through economic development and diversification.

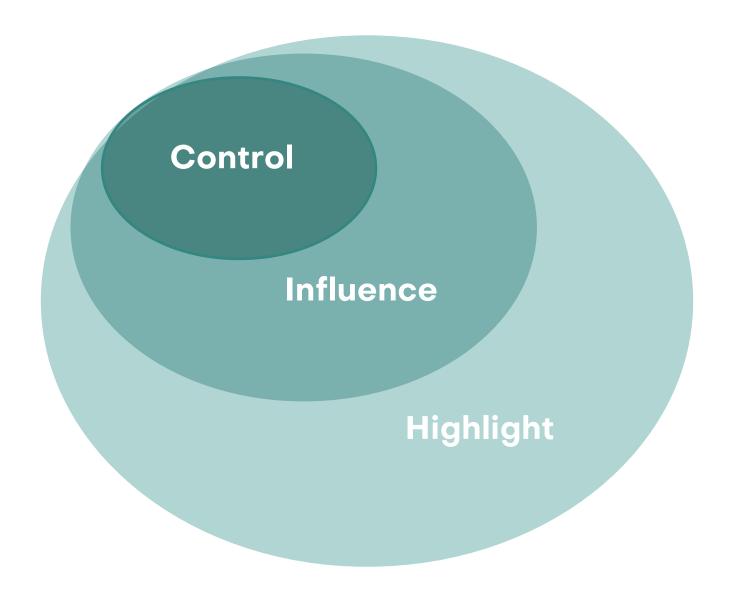

Maintain a high quality of life through continued investment in parks, recreation, and cultural amenities.

Foster a strong relationship between Miami University and the greater community.

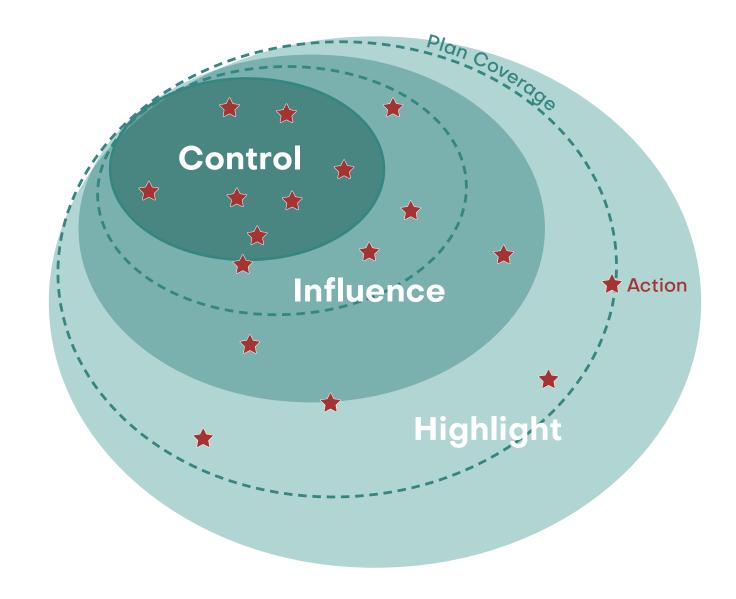

PLAN FRAMEWORK

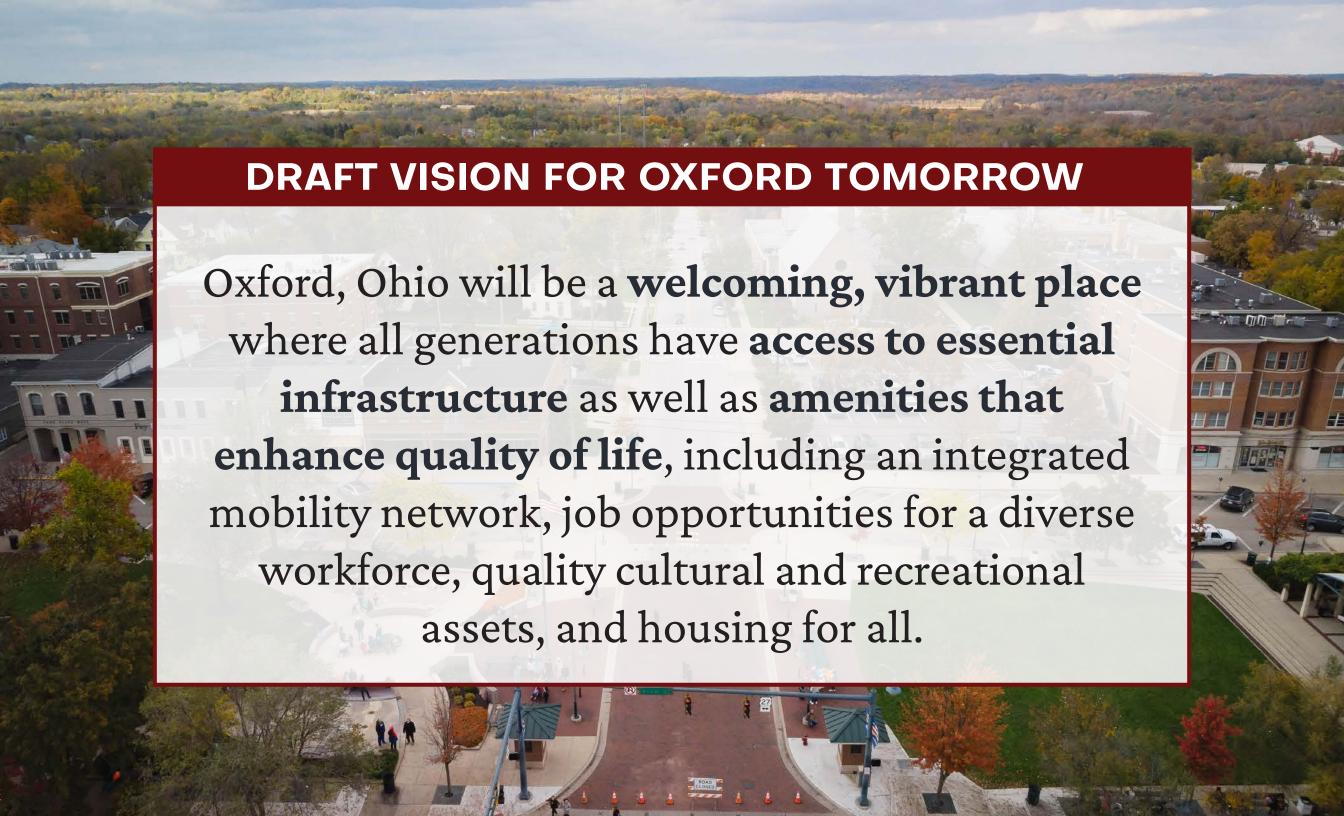

- Action recommendations will take the form of projects, policies, and programs
- Partners have varying levels of control over implementation and outcomes

PLAN FRAMEWORK

- Actions will vary in scale, complexity, impact, and cost
- Having a variety of actions results in a plan that is both realizable and visionary
- How should Oxford balance the recommendations?
- How tight should our focus be?

Steering Committee Meeting April 7, 2022

Individual Worksheet

1. Do the community engagement themes resonate with you? Why or why not?								
2. Do	es the draft vision statement align with y	our vision	n for the fu	ture of Oxford? Why or why not?				
3. Do	you agree with the following goal staten	nents for t	his plan?					
		Agree	Disagree	Change				
	Embody the principles of Smart Growth							
	Offer housing for everyone							
0	Facilitate safe and efficient travel for all modes of transportation							
(S)	Cultivate a thriving and resilient year- round economy							
	Promote a connected , livable , and equitable community for all							
	Exemplify environmental stewardship							
	Celebrate the people and place that make Oxford unique							
(g)	Ensure accessible, high-quality infrastructure							

General comments or concerns	

Steering Committee Meeting

April 7, 2022 Small Group Worksheet

Instructions:

Please review the draft goals and objectives on this sheet, discuss your reactions within your small group, and document your project, policy, or project ideas.

Land Use & Planning

Goal: Embody the principles of Smart Growth

- P1 Ensure future development and redevelopment contributes to an aesthetic, character and quality that is uniquely Oxford.
- P2 Preserve and enhance the character of the built and natural environment.
- P3 Promote commercial development and redevelopment in targeted areas.
- P4 Coordinate with regional jurisdictions and partners to plan for future growth and development.

What are your policy, program, and project ideas that would advance these objectives?					

Housing

Goal: Offer housing for everyone

- H1 Expand housing options for all life stages.
- **H2** Ensure housing affordability for all income levels.
- H3 Protect existing naturally occurring affordable housing (NOAH).
- **H4** Provide a diversity of student housing options.

What are your policy, program, and project ideas that would advance these objectives?					

Mobility & Transportation

Goal: Facilitate safe and efficient travel for all modes of transportation

- M1 Promote alternative modes of transportation.
- M2 Facilitate the safe and efficient flow of traffic in and out of the city.
- M3 Improve pedestrian and bicycle infrastructure throughout Oxford.
- M4 Ensure that streets enhance the character and walkability of Oxford.
- M5 Create an integrated parking management system in Uptown.

What are your policy, program, and project ideas that would advance these objectives?					

Economy

Goal: Cultivate a thriving and resilient year-round economy

- Attract new businesses to diversify the local economy.
- E2 Encourage entrepreneurship, innovation, and start-up businesses.
- **E3** Support existing local businesses.
- **E4** Promote Oxford as a tourism destination.
- **E5** Sustain the fiscal health of the city.

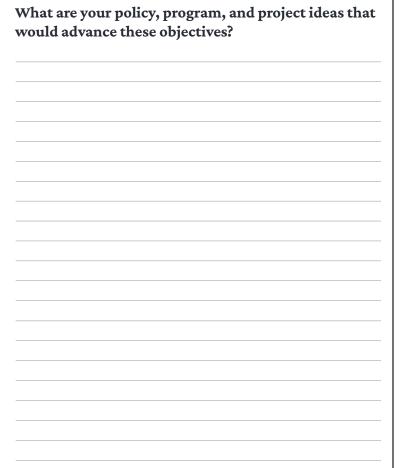

vould advance these objectives?					

What are your policy, program, and project ideas that

Goal: Promote a connected, livable, and equitable community for all

- C1 Continue to provide year-round community programming.
- C2 Expand and improve access to social services.
- **C3** Support high-quality health services for the region.
- C4 Provide high-quality, coordinated public safety services.

Sustainability

Goal: Exemplify environmental stewardship

- **S1** Adopt climate adaptation and mitigation measures.
- **S2** Reduce waste generation.
- **S3** Encourage the use of alternative energy sources within the city.
- \$4 Protect biodiversity, water quality, and air quality in Oxford.
- **\$5** Provide opportunities for community education about resiliency and sustainability.

What are your policy, program, and project ideas that

Culture & Recreation

Goal: Celebrate the people and place that make Oxford unique

- Maintain and improve existing parks, recreation, and cultural facilities and programs.
- Improve access to parks, recreation, and cultural facilities and programs.
- Promote arts and culture throughout the community.

Utilities & Infrastructure

Goal: Ensure accessible, highquality infrastructure

- Provide and maintain high-quality public services.
- Utilize green infrastructure to manage stormwater runoff and improve water quality.
